

Attend a Student Mixer!

The Midwest Bat Working Group is pleased to provide a student professional development opportunity at the 2017 meeting

Where: On-site at the Pyle Center

When: Thursday April 6, 12:30-2 pm

Student Members will have the opportunity to meet with professionals to discuss natural resource careers in a casual atmosphere over **free*** lunch. An array of professionals representing universities, consultants, non-profits, and state and federal agencies will be on-hand to talk in small-group settings. Take advantage of this opportunity to explore different options and ideas for your career paths. This is just one perk of becoming a student member of MWBWG!

*Students must pay MWBWG student dues (\$15 dues) and be pre-registered by March 24th. A free lunch is provided. **To register, email Brian Heeringa: bheeringa@fs.fed.us or 715-373-2667 x5234**
